[Essay On Religious Community](#)

Overview

This essay will be based on a question about public sphere debates on state policies that concern religious communities.

You are required to choose a topic relating to this theme and develop an essay question that addresses the topic.

You must use **literature, theories and illustrative examples to answer the question.**

**References to laws that influence such debates are encouraged and will add to the strength of your essay.**

The following is a list of suggested topics on which you could base your question. These are not the only possible topics, they just provide a guide to appropriate topics within the theme of the essay.
